Kelso High Debating Team – Top Four in the State
State Debating Finals

What a wonderful end to a very successful debating season for Kelso High Campus! Our Year 8 debating team journeyed to an intense three day debating competition to compete against the nine other winners of their respective regions in the Premier’s Debating competition.
On the first day of competition students watched the winners from Stage 5 and then were thrown head first into three debates. They finished their last debate at 9:15pm and had very little rest in between in each! They won two of their three debates on this day, including against the selective school James Ruse Agricultural High School.

Students stayed at the Women’s College within Sydney University. They were curious about the University dorm experience and lived the exciting life of a resident of the college.

On day two they were victorious in two debates which put them in the semi-final. To prepare themselves for the finals, students took a brief stroll through Newtown and indulged in some delicious gelato as they steadied their nerves and took confidence in how far they’d come.

They were presented with a challenging topic and debated against Manly Selective Campus. They fought hard, speaking clearly, presenting a firm model and rebutting arguments strongly but Manly edged ahead and won the debate. Students enjoyed time with new friends they’d made from near and far before bed on the last night, playing a competitive and fun game of Monopoly.

The students are to be commended on their sportsmanship, ability to take on adjudicator’s feedback and the kindness and respect with which they treated their opponents and each other. They were exemplary ambassadors for Kelso High Campus and embody all that is good about students at our school. They should be very proud of themselves for their conduct, in how they grew as debaters and how they performed under pressure. Take a bow TJ, Caitlin, Michaela and Ray, well done.

Kelso High Campus are so proud of you.
Principal’s Report

End of Year

We are at the end of another very busy and productive year. There has been a lot on as we focus on student learning, wellbeing and extra-curricular opportunities for students.

Congratulations to all our students who were been recognised at Presentation Night last week and those who will be recognised next week at Commendation Assemblies – well done on a great year.

I wish to acknowledge our hard working teaching and non-teaching staff who are professional, kind, caring and committed and provide so many opportunities for our students.

Best wishes in 2019 to our departing staff: Adam Batchelor, Coreena Martin, Sharon Devereux and Kahina Kharitos. Best wishes also to Hannah English for the upcoming birth of her second child and to Rani Alliband for her time in Japan next year.

Thanks to all the parents who support us, including those who attend our events and those who give a bit extra – such as our parent focus group and our volunteers who help out with our programs.

School finishes for students next Wednesday 19 December, for teaching staff on Thursday 20 December, whilst Admin staff finish on Friday 21 December. School resumes on Tuesday 29 January for staff, Wednesday 30 January for Years 7 and Thursday 31 January for Years 8-12. The front office will be open on Thursday 24 and Friday 25 January for new enrolments and enquiries. The uniform shop will also be open on Monday 29 January, Tuesday 30 January and Thursday 1st February.

I hope that everyone has a happy Christmas and a wonderful, relaxing and safe summer break.

Top performances:

- Our Year 8 debating team who finished top 4 in the state at the finals last week
- Matt Bignell – Kelso High Campus recipient of the prestigious Victor Chang School Science Award
- Dr Ashley Franks Year 12 1993 check and 2018 Decade award winner – a worthy winner who gave an outstanding acceptance speech
- Year 10s – who were fantastic on a very enjoyable Year 10 formal evening at Panthers two weeks ago.

Please give me a call me or drop by to discuss anything concerning your child and Denison College, Kelso High Campus

Mick Sloan
Principal

Orientation Day – Year 7 2019

On Wednesday, 5th December, we welcomed our 150 incoming Year 7 students for 2019 at Orientation Day. On the day students were introduced to teachers and met the students in their year group from our 13 local primary schools who gathered together as a full year group for the first time. Students were involved in activities in different subjects, before gathering together for a BBQ lunch with our SRC and ARC leaders from Years 8-10 and their new peers. The final excitement for the day was from our Creative Arts concert where students got a show from the Small Band program and Circus Troupe. We hope you all enjoyed your time at Kelso High Campus and we look forward to welcoming you back next year!
Graduation Ball 2018
Victor Chang School Science Award

Matthew Bignell has been named the recipient in a prestigious science award. Matthew received the Victor Chang School Science Award at a ceremony in Dubbo. The award recognises the efforts and achievements of high school science students.

Matthew is currently studying Year 11 Physics and Chemistry, achieving outstanding results. He plans to do something science related at university after completing his HSC in 2019.

As part of the award Matthew will tour the Victor Chang institution.

Matthew was nominated for the award by his science teacher Andrew Le, who described Matthew as an outstanding student who displays a natural aptitude for learning.
You have three containers, one labelled ‘red marbles’, one labelled ‘blue marbles’ and one labelled ‘red marbles and blue marbles’ with the correct marbles in them.

One day, someone broke in and swapped the labels on the containers, so that none of the labels matched the contents.

You can reach into one of the containers to look at one of the marbles.

Can you work out which containers have which marbles in them?
Start Dates for Term 1 2019

Monday 28th January – Public Holiday

Tuesday 29th January – Staff Development Day (no students)

Wednesday 30th January – Years 7

Thursday 31st January – Years 8, 9, 10, 11 & 12 students return

BYOD AT DENISON COLLEGE

The Denison College bring your own device program allows a personally owned device to be brought to both campuses for learning purposes within the classroom.

To help parents and carers decide, we have chosen some devices that will work across the campus networks effectively and integrate seamlessly into the learning environment.

These devices have the basic requirements that will work with Google Apps for Education and Microsoft Office 365. Both software packages are available to all students for free. For productivity, all tablets require a physical keyboard. *2019 prices are a guide only.

November 2018

Dear Parents and Carers

A feature of the public education system in NSW is the opportunity to provide time in class for Special Religious Education (SRE) at the choice of the parents and carers. For more information please visit: https://education.nsw.gov.au/teaching-and-learning/curriculum/learning-across-the-curriculum/religion-and-ethics.

Currently Christian SRE is offered to Year 7 and 8 students at Kelso High Campus. Mr Ed Sowden has been approved by the NSW Department of Education and Ministers’ Association in Bathurst to deliver the Think Faith Curriculum where students participate in lessons on the Christian faith and are encouraged to evaluate its claims for themselves. Ed is not a teacher at Kelso High Campus. You can find more information about Christian SRE at http://whyssre.com.au/ and more information on Think Faith at http://oursre.org.au/content/curriculum/gia8h4. If you have any questions or concerns regarding the content of Christian SRE lessons please contact Kim Siedle, the Chair of the Council for Christian Education, Bathurst: chairperson_bcce@bathurstchurches.org.au.

Please complete the form below and return to Miss Sandra Howarth, Curriculum Coordinator at the campus. Students will participate in alternative meaningful activities when SRE is being delivered pending your response. A parent/carer may at any time notify the school in writing that they wish to change their decision. Students will continue the same arrangements as the previous year unless the parent/carer has requested a change in writing.

For more information about the SRE timetable please contact Sandra Howarth at the campus.

Yours sincerely,

Michael Sloan
Principal

.............................................................................................................. please return the completed slip to Miss Sandra Howarth .................................................................

☐ I do wish my child to participate in SRE at Kelso High Campus.

☐ I do not wish my child to participate in SRE at Kelso High Campus. Your child will participate in alternative meaningful activities such as reading, private study or revision exercises.

Year 7 – YMCA Camp Yarramundi 2019

Dear Parent or Caregiver,

The Year 7 Camp will be held at the YMCA Camp Yarramundi on **Monday 4th March to Wednesday 6th March 2019**.

*The aim of this excursion is twofold. It will enhance your child's learning across subject areas, including Geography, Science and PDHPE. The camp will also provide opportunities for your child to develop team work and problem-solving skills, make new friends, build independence and self-esteem in a fun and positive environment.*

The cost of the excursion is **$280**. This includes accommodation, food, activities and the travel to and from the camp.

A deposit of $50 can be made at the front office and payment plans can be arranged.

If you require more information regarding the Year 7 Camp 2019, please contact the Year 7 Advisor Billy Taylor on 6331 4544.

Cirkus Surreal – Under the Big Top

Week 9 saw the end of year show for Cirkus Surreal.

We would like to congratulate all the wonderful Year 12 students who performed with Cirkus Surreal over the past six years. Your contribution to our circus troupe has been much appreciated and we have enjoyed watching you grow as performers and as amazing young adults.

Well done all performers, especially those of you who have performed for the first time.
Solution to Number 249

The container marked ‘red marbles and blue marbles’ is mislabeled. So it must contain either red marbles, or blue marbles, and not a mixture. Take one marble from this container. We will assume it is red. This container must contain ‘red marbles’

Now look at the container labelled ‘blue marbles’. It can’t contain just blue marbles, because it is mislabeled. Also, it can’t contain just red marbles, because we already know which container that is. So the container labelled ‘blue marbles’ must contain red marbles and blue marbles. The remaining container, labelled ‘red marbles’ must contain blue marbles, because that is all we have left.

If we pull out a blue marble at the start, you can work it out using a very similar argument.
2018 2BS Bathurst Lions Christmas Miracle Appeal

SCHEDULE OF EVENTS

Bathurst Liquor Accord Charity Golf Day.
- Wednesday 31st October 2018
- Bathurst Golf Club
- Signage before 9am at the Golf Club
